Beggarman

Shocking Blue

A beggar stood on back street corner,
A beggar stood on back street corner,
His clothes went weed and he drags on his feet,
A beggar stood down on back street.

A man passed by, he's fat and richy,
A man passed by, he's fat and richy,
He does not seem to know this weed at all,
A beggar stood down on back street.

Hey, hey, hey, beggarman, yeah,
Will you play a beggarman? Yeah,
Will you play a beggarman? Yeah,
Beggarman, do you care?

A drunken guy, he screams so badly,
A drunken guy, he screams so badly,
He kicks my head and drags my tongue,
He kicks my head and that.

Hey, hey, hey, beggarman, yeah,
Will you play a beggarman? Yeah,
Will you play a beggarman? Yeah,
Beggarman, do you care?

Hey, hey, hey, beggarman, yeah,
Will you play a beggarman? Yeah,
Will you play a beggarman? Yeah,
Beggarman, do you care?
