

Dowee Dowee

Shocking Blue

When you're down and out, boy,
For sure I will be there
To protect you to all evil,
Ev'rybody's gotta beware.

I'm the heat for ev'rything,
I can let the river flow.
Yeah, yeah, yeah,
Yeah, yeah, yeah.
We'll broke the loser's temperature
When it's time for me to go.
Woh-oh.

Dowee, dowee, dowee, dowee, dowee, dowee, dowee, dowee, doo.
Oh-oh-oh.
Dowee, dowee, dowee, dowee, dowee.
Oh-oh-oh-oh.
Dowee, dowee, dowee, dowee, dowee.

When you're helpless and in misery,
Now let me hope you're tired.
Lead you away from sorrow,
Away from bad late night.

I'm the heat for ev'rything,
I can let the river flow.
Yeah, yeah, yeah,
Yeah, yeah, yeah.
We'll broke the loser's temperature
When it's time for me to go.
Woh-oh.

Dowee, dowee, dowee, dowee, dowee, dowee, dowee, dowee, doo.
Oh-oh-oh.
Dowee, dowee, dowee, dowee, dowee.
Oh-oh-oh-oh.
Dowee, dowee, dowee, dowee, dowee.
