

Hey

Shocking Blue

I say hey,
Come with me.
Set mind to find you
Till the night expand you.

I say hey,
(I say hey)
Come with me.
(Come with me)
I've got a table
Just for two.

Like a flower needs rain,
Baby, I need you.
Like a bow needs an arrow
I need you.

I say hey,
Come with me.
The night is so young
And to us it belongs.

Hey!

I say hey,
(I say hey)
Come with me.
(Come with me)
I've got a table
Just for two.

I say hey,
(I say hey)
Come with me.
(Come with me)
Set mind to find you
Till the night expand you.
