

## I Saw Your Face

**Shocking Blue**

I saw your face  
And I knew I needed you  
And your eyes so blue  
When I saw your face  
I saw your face  
I saw your face

I saw your face  
And she turned  
And my love was burned  
For lady turn  
Just show your face  
I saw your face  
I saw your face

I saw your face  
And your hair  
So long wow, wow  
I want to be around your face  
Just show your face  
I saw your face
