I'll Write Your Name Through The Fire

Shocking Blue

I'll write your name through the fire
I'll write your name through the fire
I'll write your name to bring me home again
I'll write your name through the fire

And I'm standing there at edge of town
Gonna get cold when the sun goes down
Saddle my horse and I'm packin' my clothes
Where I'm goin' just the good Lord knows

I'll write your name through the fire
I'll write your name through the fire
I'll write your name to bring me home again
I'll write your name through the fire

When mornin' breaks yes I'll be gone
And where I go I don't know
Have a lonely mind and a lonely heart
Wounded by your love dart

I'll write your name through the fire
I'll write your name through the fire
I'll write your name to bring me home again
I'll write your name through the fire

I'll write your name through the fire
I'll write your name through the fire
I'll write your name to bring me home again
I'll write your name through the fire

The desert chaps under my my feet
With dusty boots I ride in the heart
Pray to my Lord, while a wolf howls
Let me go back, back to my sweet

I'll write your name through the fire
I'll write your name through the fire
I'll write your name to bring me home again
I'll write your name through the fire

One more time

I'll write your name through the fire
I'll write your name through the fire
I'll write your name to bring me home again
I'll write your name through the fire
