

Put some love in your heart
Like you put the ink in the inkpot.
Learn it and you will enjoy it baby
To put the ink in the inkpot.
Shoo-bee-doo-wa, shoo-bee-doo-wa.
Shoo-bee-doo-wa, shoo-bee-doo-wa.

You can play with everything,
But you cannot play with your heart.
Foolin' around makes it mean
And then (wop!) I'm feeling that we'll be apart.

Put some love in your heart
Like you put the ink in the inkpot.
Learn it and you will enjoy it baby
To put the ink in the inkpot.
Shoo-bee-doo-wa, shoo-bee-doo-wa.
Shoo-bee-doo-wa, shoo-bee-doo-wa.

Your momma taught you how to pray,
But once you will be a grown-up girl
And what you also have to learn
That (wop!) is how to love somebody in this world.

Put some love in your heart
Like you put the ink in the inkpot.
Learn it and you will enjoy it baby
To put the ink in the inkpot.
Shoo-bee-doo-wa, shoo-bee-doo-wa.
Shoo-bee-doo-wa, shoo-bee-doo-wa.
Shoo-bee-doo-wa, shoo-bee-doo-wa.
Shoo-bee-doo-wa, shoo-bee-doo-wa.
