

Loving Girl

Shocking Blue

Tell you honey what I'm gonna do,
I'm gonna make big love to you.
Pinch your bottom and squeeze your hand,
Tell the whole world I'm your loving girl.

Hey, hey baby,
I'm your loving girl,
'Cause baby, baby,
I'm your loving girl.

Baby, baby, want but understood,
Don't say you shouldn't when you know you should,
Don't be banned if it ain't no good,
Don't say you couldn't if you know you could.

Hey, hey baby,
I'm your loving girl,
'Cause baby, baby,
I'm your loving girl.

Hey, hey baby,
I'm your loving girl,
'Cause baby, baby,
I'm your loving girl.

Shake me baby, come on give me that thing,
Make a king and I'll be your queen.
Show me honey that ring-a-ding-ding,
Leave me baby, give you anything.

And I never, never, never,
(Never, never)
Never gonna let you down,
(Never, never)
Never goin' to make you cry.
No, I never, never, never,
(Never, never)
Never gonna break your heart.
(Never, never)
I'll never say goodbye,
Never gonna say goodbye to you, darling.

Tell you honey what I'm gonna do,
I'm gonna make big love to you.
Pinch your bottom and squeeze your hand,
Tell the whole world I'm your loving girl.

And I never, never, never,
(Never, never)
Never gonna let you down,
(Never, never)
Never goin' to make you cry.
No, I never, never, never,
(Never, never)
Never gonna break your heart.
(Never, never)
I'll never say goodbye,

Never gonna say goodbye to you, darling.

Hey, hey baby,
I'm your loving girl,
'Cause baby, baby,
I'm your loving girl.

Hey, hey baby,
I'm your loving girl,
'Cause baby, baby,
I'm your loving girl.

Hey, hey baby,
I'm your loving girl,
'Cause baby, baby,
I'm your loving girl.
