

My Life

Shocking Blue

My life,
This is my life,
I can do anything in my life.
My song,
This is my song,
I can play what I like in my song.

Higher and higher,
Your voice takes me higher.
Never, no, never
Take it away from my life,
Take it away from my life,
Take it away from my life.

My world,
You are my world,
I can sing what I like in my world.
My life,
This is my life,
I can do anything in my life.
