

# Ooh Wee There's Music In Me

Shocking Blue

Sometimes I feel a-crying  
Just like a motherless child,  
Without the one I love  
Life is not  
I want to come to someone now,  
Ooh wee, there's music in me,  
But you gotta care.

We can shake it baby  
And have a really good time,  
Just you know how to get  
Me going out of my mind.  
I want to come to someone now,  
Ooh wee, there's music in me,  
But you gotta care.

Ba ba ba ba ba, bi du da, bi du da.  
Da ba ba ba ba, bi du da, bi du da.

I want to come to someone now,  
Ooh wee, there's music in me,  
But you gotta care.

We can shake it baby  
And have a really good time,  
Just you know how to get  
Me going out of my mind.  
I want to come to someone now,  
Ooh wee, there's music in me,  
But you gotta care.

Ba ba ba ba ba, bi du da, bi du da.  
Da ba ba ba ba, bi du da, bi du da.
