Rattler

Shocking Blue

Rattler is a little dog,
He's got the funny face.
His ears are long, his eyes are sad,
He could be any race.

Hear Rattler hear,
I'll give you a home you never had before,
You don't have to back any more.
Hear Rattler hear,
Hear Rattler hear,
Hear Rattler hear.

I found him on the dirty street
And now he follows me around.
For day and night, through wind and rain
He never left me down.

Hear, Rattler, hear,
I'll give you a home you never had before,
You don't have to back any more.
Hear Rattler hear,
Hear Rattler hear,
Hear Rattler hear.
