

## Serenade

Shocking Blue

All delights, all smiles  
All sorrows, all passions  
All rain, all tears  
All mystery's, all fears.

They all bring you a serenade my love  
They all bring you, a serenade yes they do.  
They all bring you a serenade my love  
They all bring you, a serenade yes they do.

All midnights, all stars  
All emotions, all thoughts  
All mountains, all rocks  
All guitars, all lutes  
All music, all flutes.
