

## Shadows

**Shocking Blue**

Golden shadows in your hair  
When I see you walking there,  
The shadows in your hair.

Velvet shadows in your eyes  
Never tell and tell so lies,  
The shadows in your eyes.

Dreaming of the colours of a rainbow,  
Dream about a boy I love.  
You're my one and only desire,  
Baby, set my soul on fire.

Silver shadows in your face  
Lovely like a darling lace,  
The shadows in your face.

You're my one and only desire,  
Baby, set my soul on fire.

Never tell and tell so lies,  
The shadows in your eyes.
