

## Wild Rose

## Shocking Blue

Wild rose,  
Grow the way you want to.  
Wild rose,  
I only want to see you that way.

Colour of your beauty  
Isn't nice delight  
From the early morning dew  
Till the end of night.

Wild rose,  
Grow the way you want to.  
Wild rose,  
I only want to see you that way.

Wild rose,  
Grow the way you want to.  
Wild rose,  
I only want to see you that way.

You should live twice  
And in my rhine  
Ages and ages  
Sun of the glory will shine.

Wild rose,  
Grow the way you want to.  
Wild rose,  
I only want to see you that way.

Wild rose,  
Grow the way you want to.  
Wild rose,  
I only want to see you that way.
