

You'll Come

Shocking Blue

You'll come, you'll come,
Set yourself down,
Right down here now.
You'll come, you'll come,
Got me it all
And all right here now.

Jennifer Ding, my mommy queen,
Always went swimming in the pond.
Long came a man with the fishing boat, ooh!

Long just straight was a feed doll,
Always get a-stuck in the trees, now my.
Long light kiss a right that dog, ooh!

You'll come, you'll come,
Set yourself down,
Right down here now.
You'll come, you'll come,
Got me it all
And all right here now.

Long just straight was a feed doll,
Always get a-stuck in the trees, now my.
Long light kiss a right that dog, ooh!
