I Love Your Ways

Shola Ama

(I love your ways)
You're sweet in every single way
My baby, yeah
(I love your ways)
Complete in every way, hey, oh yeah
Gave You the kiss of life
And then You came my way
True love it's been a while
Baby, stay
You said when you love me
You feel so free
(Feel so free)
Take Your time and
You'll realise is it really worth losing me
(I love your ways)
Baby, I love your ways, yeah
(You're sweet in every way)
You're made for me
(I love your ways)
Baby, I love your ways, yeah
(You re sweet in every way)
Constantly on my mind
You are the one
Just need you by my side
Till the morning comes
(* Repeat)
