

# Slow Train

Shooter Jennings

Slow Ride on a slow train  
Gonna get back home and  
Tell 'em where I came from

Slow Ride on a slow train  
Gonna get back home and  
Tell 'em where I came from

Every night when I close my eyes  
My head hurts so bad  
that it blows my mind

Every night when I close my eyes  
My head hurts so bad  
That it blows my mind

Got a devil on my shoulder  
And that ain't nothing new  
I keep doin' what he says  
Cause there ain't nothing else to do

Oh if you got the money  
I know where to spend it honey  
Gotta get myself straight  
Before I lose my cool

Slow Ride on a slow train  
Gonna get back home and  
Tell 'em where I came from

Slow Ride on a slow train  
Gonna get back home and  
Tell 'em where I came from

The only thing in my days of chains  
is this woman in my bed  
and this age in my brain

The only thing in my days of chains  
is this woman in my bed  
and this age in my brain

Slow Ride on a slow train  
Gonna get back home and  
Tell 'em where I came from

Slow Ride on a slow train  
Gonna get back home and  
Tell 'em where I came from

Slow Ride on a slow train  
Gonna get back home and  
Tell 'em where I came from

Slow Ride on a slow train  
Gonna get back home and  
Tell 'em where I came from

Woo hoo woo hoo  
Yeah  
Woo hoo woo hoo  
Oh yeah  
Woo hoo woo hoo

Woo hoo woo hoo  
Yeah  
Woo hoo woo hoo  
Oh yeah  
Woo hoo woo hoo

Slow Ride on a slow train  
Gonna get back home and  
Tell 'em where I came from

Slow Ride on a slow train  
Gonna get back home and  
Tell 'em where I came from
