

# Set The Record Straight

Shoreline Mafia

Snake switched the beat, hold on  
Snake switched the beat, hold on, let me set the record straight, ayy  
Yeah, Snake switched the beat

Snake switched the beat, hold on, let me set the record straight  
To get up in my section, bitch, you gotta have a resume  
Still sellin' drugs, baby, I just found a better way  
Wanna see a magic trick? We'll make you levitate  
I don't ever hesitate, keep shit that detonate  
Don't touch my tennis chain, now I'ma have to demonstrate  
Let that shit resonate, we gon' have to regulate  
Chicken in the pot, nigga, let that shit marinate

Chicken in that pot, hit that water, make it lock  
We was posted with them Glocks, makin' money off the knocks  
We just poured up in that drop, pourin' Wocky, watch it drop  
Tryna fuck a nigga thot, make that pussy beatbox  
Yeah, aight then  
Say she only like bitches, she don't like men  
I still cracked it, left the Glocky on her nightstand  
Last week, I was runnin' through a light ten  
Makin' money, fuckin' bad bitches how my life been  
I know I got my bag right, what about you?  
I know brodie finna pop it, what about dude?  
Told her I don't want no pussy, but some mouth cool  
Kick my feet up, smoke a blunt, and then I count blues  
Ayy, big bands, I'm gettin' backends  
Fuck her off a Perc', told lil' baby, "Make your back bend"  
That pack land, rub it on my gums, I'm like, "That's him"  
I got thirty in a Glocky and a stocky in an FN  
Trip takers, tryna spin a nigga block  
I got thirty in this chop, we tryna hit a nigga top  
All that woofin' on the 'net, now brodie up in that box  
You know we ain't finna box, we tryna send 'em up top, ayy

Turn around, go 'head, let me see somethin'  
This is dedicated to the hoes that wanna be somethin'  
This is dedicated to the hoes that want a threesome  
They know I'm racked up if these hoes ever need somethin'  
Know I'm strapped up, if you trippin', I'll leave somethin'  
Two wristwatches, if I touch her, I'll freeze somethin'  
Remember every single bitch that said I wouldn't be nothin'  
Now I wouldn't even give these bitches some precum  
Got a ho at USC, got a ho up in CSUN  
Got a ho everywhere, but I don't got a weak one  
Got a ho every day of the week, do you need one?  
Drink a whole lot of lean, mix it up with Capri-Sun
