

# All Sliced Up

## Short Stack

In the back of a car  
Smoking fags  
I'm drinking cheep champaign  
I'm gonna take it far

I don't no where we are  
Or where we're going  
But I don't care  
cause I'm so super cool

Lost my keys in the seat  
I'm messed up  
I'm in the danger zone  
Climbing the fence oh no  
Dee dee's solo career is even better  
But I don't care cause I just wrecked my jewels

MC bikers went bananas tonight  
I'm all sliced up  
I'm all messed up  
MC bikers went bananas tonight  
I'm all sliced up  
I'm all messed up

In the back of a car  
Smoking fags  
I'm drinking cheep champaign  
I'm gonna take it far

I don't no where we are  
Or where we're going  
But I don't care  
cause I'm so super cool

MC bikers went bananas tonight  
I'm all sliced up  
I'm all messed up  
MC bikers went bananas tonight  
I'm all sliced up  
I'm all messed up

And when my testies float all over  
Tell me what I should do  
And when I'm peeled like an orange  
I still wanna have two  
Yeah I'm peeled like an orange

MC bikers went bananas tonight  
I'm all sliced up  
I'm all messed up  
MC bikers went bananas tonight  
I'm all sliced up  
I'm all messed up

I'm all sliced up  
I'm all messed up  
I'm all sliced up

I'm all messed up  
I'm all sliced up
