

# Counting The Stars

Short Stack

Let's keep this ever so quiet, oh so quiet  
Oh I like it alone  
I'll wait for you forever

So, this is the part at the end of act 1  
Where I turn to you and I say number one  
We're just getting started (we're just warming up)  
So I'll kiss you again and again and again

CHORUS:

(Oh, oh)  
I fall in love but no never in grace  
(So young, so wrong)  
We're counting the stars, counting the stars  
(Oh, oh)  
I fall in love but no never in grace  
(So young, so wrong)  
We're counting the stars, counting the stars

I could be just like him  
I'm dying, throw me a rope for my throat  
Watch me fall  
Watch me breaking your heart  
'Cause I'm breaking your heart again now

This is the part at the end of act 1  
Where I turn to you and I say number one  
I'll wait for you forever (so)

CHORUS:

(Oh, oh)  
I fall in love but no never in grace  
(So young, so wrong)  
We're counting the stars, counting the stars  
(Oh, oh)  
I fall in love but no never in grace  
(So young, so wrong)  
We're counting the stars, counting the stars

And she said  
I can count on you win or lose  
It's gonna drown us from inside  
Save the escape  
We'll Save the escape  
And I'll kiss you again and again and again and again

And she said  
I can count on you win or lose  
It's gonna drown us from inside  
Save the escape  
We'll Save the escape  
And I'll kiss you again  
And again and again and again and again  
(Forever)  
Yeah

CHORUS:

(Oh, oh)  
I fall in love but no never in grace  
(So young, so wrong)  
We're counting the stars, counting the stars  
(Oh, oh)  
I fall in love but no never in grace  
(So young, so wrong)  
We're counting the stars, counting the stars  
We're counting the stars  
(Oh, oh)  
We're counting the stars, counting the stars
