# Elvis

**Short Stack**

You look so mean,
Walk up in your blue jeans,
Say you love the old me,
Ask me where he's gone

Baby don't stress,
I know that you miss this,
I know I'm reckless,
But I've only just begun

So how about just you and me?
We're going to blow this place to smithereens,

Show me your moves, yeah,
You don't impress me,
You know your no Elvis Presley,
Show me, show me your moves, show me your moves,
Show me your na na na na na

(na, na, na, na, na)...

Show me your tricks doll,
I'll be your fix doll,
I'll grab my 44,
And pick you up at 6 doll

Baby don't stress,
I know that you miss this,
Give me all your love,
And lose yourself in me

I just love your skin and bones,
So I called you on the telephone,

Show me your moves, yeah,
You don't impress me,
You know your no Elvis Presley,
Show me, show me your moves, show me your moves,
Show me your na na na na na

(na, na, na, na, na)...

Show me your moves, yeah,
You don't impress me,
You know your no Elvis Presley,
Show me, show me your moves, show me your moves,
Show me your na na na na na moves,
Yeah, you don't impress me,
You know your no Elvis Presley,
Show me, show me your moves, show me your moves,
Show me your na na na na na
