

Heartbreak Made Me A Killer

Short Stack

Heartbreak made me a killer baby
But I was born for this, but I was born for this
(Yeah!)
But I was born for this, but I was born for this

I, when I was a young boy
Never was a fun boy, thank you miss
You cut me up a dreamer
Made me a believer
Saying this

(Oh, oh, oh)
Your as good as gold like a go-
go dancer straight from the soul, soul singing
(Oh, oh, oh)
As good as gold like a go-go dancer straight from the soul

Heartbreak made me a killer baby
But I was born for this, but I was born for this
Heartbreak made me a killer baby
But I was born for this, but I was born for this
When I, when I was a young boy
Never was a fun boy thank you miss
Heartbreak made me a killer baby
But I was born for this, yeah I was born for this

So hit me when the wind blows
Everyway I don't know
Fancy this

(Oh, oh, oh)
As good as gold like a go-go dancer straight from the soul

Heartbreak made me a killer baby
But I was born for this, but I was born for this
Heartbreak made me a killer baby
But I was born for this, but I was born for this
I, when I was a young boy
Never was a fun boy thank you miss
Heartbreak made me a killer baby
But I was born for this
Hell I was born for this, born for this!

(Woop, woop, woop, woop)

But who'd have thought it
(Oh, oh, oh, oh)
Oh that boy don't float my boat
And who'd have thought it
(Oh, oh, oh, oh)
Plunge that needle
Give me a strut
Aow!

(Oh, oh, oh)
Your as good as gold
Heartbreak made me a killer baby

But I was born for this, yeah I was born for this
When I was a young boy
Never was a fun boy thank you miss
Heartbreak made me a killer baby
But I was born for this, hell I was born for this,

But I was born for this
But I was born for this
But I was born for this
But I was born for this
But I was born for this
But I was born for this
But I was born for this
But I was born for this
