

## Its 4 U

### Short Stack

You're just a girl  
Just one of my accomplishments  
Another girl  
Its hard because I didn't mean for this

So come on let me stay with you  
For a while for a day or maybe two  
Oh let me lay with you  
See a smile never follow through

(And we'll go)  
Straight from oh-oh's to whoa-oh's  
from goodbye call to overdose  
I write your name in bullets  
So you're the last thing through my head  
(its 4 u, its 4 u)  
Lovers become us luscious (red)

I'm just a boy  
Its hard because I live in some past tense  
Another boy  
But I'm glad its safe for you and now its safe for me

So come on let me stay with you  
For a while for a day or maybe two  
Oh let me lay with you  
See a smile never follow through

(And we'll go)  
Straight from oh-oh's to whoa-oh's  
from goodbye call to overdose  
I write your name in bullets  
So you're the last thing through my head  
(its 4 u, its 4 u)  
Lovers become us luscious (red)
