

# Princess

## Short Stack

This incentive represents this dimly lit room just a Minute in.  
My heartbeat beat climbs in sync with captivate me as You shed your skin.

Princess,  
Why you so contagious?  
Every single step,  
Breaks every single breath.  
(2x)

Tell me anything and everything will be O.K!

It's exclusively elusive,  
Loosely wrapping scars.  
Tell me anything and everything will be O.K. (X2)  
Eighteen clenches clash where we lay, overboard,  
you took my breath away.  
Tell me anything and everything will be O.K. (X2)

[clap clap] Hey....hey....hey.

Princess,  
Why you so contagious?  
Every single step,  
Breaks every breath.  
(2x)

Tell me anything and everything will be O.K.

Princess,  
Why you so contagious?  
Every single step,  
And every single breath.

Princess,  
Why you so contagious?  
Every single,  
BA BA-DA,  
BA BA-DA,  
OOOOOOOOH!

Princess,  
Why you so contagious?  
Every single step,  
Breaks every single breath.  
Tell me anything and everything will be O.K.  
(X2)

Princess,  
Why you so contagious?  
Can barely even say,  
Everything will be O.K.  
(X2)

Tell me anything and everything will be O.K.
