

Shinigami

Short Stack

Suffice to say
I could dance the night away with you
If you'd like to stay
Plant me in decay and watch me bloom

Hold me tight
Your new fixation
Breaks my bones in all the right places
Honey, it's true
But I could never take my eyes off you

You're my shinigami
All you push is heart ache upon me
Honey, it's true
But I could never take my eyes off you

Suffice to say
I could dance the night away with you
If you'd like to stay
Plant me in decay and watch me bloom
Suffice to say
I could dance the night away with you
If you'd like to stay
Plant me in decay and watch me bloom

His good intentions
Lacerate my empty redemption
Honey, it's true
So why do I come crawling back to you?

You're my shinigami
All you push is heart ache upon me
Honey, it's true
But I could never take my eyes off you

Suffice to say
I could dance the night away with you
If you'd like to stay
Plant me in decay and watch me bloom
Suffice to say
I could dance the night away with you
If you'd like to stay
Plant me in decay and watch me bloom

I can't take my eyes off you
I can't take my eyes off you

Well, suffice to say
That I could never take my eyes off you

Call on me tonight
You know I'm right here waiting

Well, suffice to say
That I could never take my eyes off you

Suffice to say

I could dance the night away with you
If you'd like to stay
Plant me in decay and watch me bloom
Suffice to say
I could dance the night away with you
If you'd like to stay
Plant me in decay and watch me bloom
