

Dirt Talk

Shotgun Messiah

kool chicks
in lipstick
naggin' on my brain
that soft touch
is too much
drivin' me insane

hit me with that dirt talk

sex bomb, she's got some longlegged powdered pale
red hot love god, long red fingernails

hit me with that dirt talk

take me
t-t-t-take me for a ride
shake me
no way I'll let u go
not let you go
no, no, no

hit me with that dirt talk
knock me to the floor
hit me with that dirt talk, dirt talk

trashy, classy
she's eager to teaze
alarmingly charming
drops you to your knees

hit me with that dirt talk

lewd girl, rude girl
always back for more
sex gun, a magnum
venus de galore

hit me with that dirt talk

take me
t-t-t-take me for a ride
shake me
ain't no way I'll let u go
not let you go
no, no, no

hit me with that dirt talk
knock me to the floor
hit me with that dirt talk
yeah, yeah, yeah

hit me with that dirt talk
nasty to the core
hit me with that dirt talk

dirt talk, dirt talk
dirt talk, dirt talk

dirt talk, dirt talk
dirt talk, dirt talk

take me
t-t-t-take me for a ride
shake me
let me come inside

take me
t-t-t-take me for a ride
shake me
ain't no way I'll let u go
not let you go
no, no, no

hit me with that dirt talk
hit me with that dirt talk
hit me with that dirt talk
knock me to the floor
hit me with that dirt talk, dirt talk
nasty to the core
