

# Heartbreak Blvd

Shotgun Messiah

well, she's a pretty girl  
and I don't ask for more  
you know that touch of hers makes my heart beat like it never did before

I didn't know that anything could be this good  
she makes me do things I don't really think I should  
like I don't even care as long as she's there  
she makes me go much further than I normally would

naa naa na-na-naa naa na-na-naa  
can't you see what you're doin' to me  
naa naa na-na-naa naa na-na-naa  
can't you see that you're makin' me bleed

heartbreak boulevard  
take you for a ride, mess you up inside  
heartbreak boulevard  
comin' on so slow, never let you go  
heartbreak boulevard  
on the wild side, love's like suicide  
down on heartbreak strip

it never stays that sweet  
but still you want some more  
no return, no retreat, just as hooked on the stuff as you were before

I shoulda known that losin' you would hurt this deep  
I shoulda known that happiness is not for keeps  
like I don't even know which way to go  
leave me alone, let me die in my sleep

naa naa na-na-naa naa na-na-naa  
can't you see what you're doin' to me  
naa naa na-na-naa naa na-na-naa  
can't you see that you're makin' me bleed

heartbreak boulevard  
take you for a ride, mess you up inside  
heartbreak boulevard  
comin' on so slow, never let you go  
heartbreak boulevard  
on the wild side, love's like suicide  
down on heartbreak strip

heartbreak boulevard  
t-t-t-take you for a ride, mess you up inside  
heartbreak boulevard  
comin' on so slow, never let you go  
heartbreak boulevard  
take you for a ride, mess you up inside  
heartbreak boulevard  
on the wild side, love's like suicide  
down on heartbreak strip
