

# Trouble

## Shotgun Messiah

bad seed, night breed, pulses racing top speed, yeah  
you're in trouble  
vital, unbridled, damn near suicidal, yeah  
you're in trouble

mama raised a basketcase  
guns for hire  
I'm outta my head, yeah  
mental trip to hyperspace  
aim and fire  
who wants to belong

over the top  
shotgun action, pump it up  
over the top  
over the top  
freak attraction, never stop

double trouble, messin' with the best  
cardiac arrest

you're in trouble, trouble  
you're in trouble, trouble

street kid, rock vid, splatter punx on acid, yeah  
you're in trouble  
head kick, sputnik, they don't know I'm psychic, yeah  
you're in trouble

termination second base  
guns for hire  
I'm outta my head, yeah  
cybernetic master race  
aim and fire  
who wants to belong

over the top  
shotgun action, shoot me up  
over the top  
over the top  
freak attraction, never stop

double trouble, messin' with the best  
cardiac arrest

you're in trouble, trouble  
you're in trouble, trouble  
look out

(solo)

you're in trouble, trouble  
you're in trouble, trouble  
you're in trouble, trouble

bad seed, night breed, pulses racing top speed, yeah  
you're in trouble

street kid, rock vid, splatter punx on acid, yeah  
you're in trouble  
trouble, trouble  
trouble, trouble
