Yeah, yeah, I'm a virgin, yeah, I stay lurkin', stay curvin', fuck out my face

Yeah, yeah, I be burnin', yeah, I be swervin', smoke my weed, don't look both ways

You smoking on a dick right now if you think that I love you

Not tryna cuff that, lil' homie got the blunts in the back

Roll some, smoke some, give a bitch blunt wraps like got-damn

I'm the type of dude, see a bad bitch, ask for a hug like woah

Nine times outta ten, she gon' hug back 'cause she like the way I dance like oh

I look like A\$AP Rocky, I think she think I'm sexy

But if this bitch gon' block me

I might go pipe her bestie (goddamn)

Go bestie, go, go

She so sexy, oh, no

Wake up drunk and then dip, uh

All I gotta do, take you to a view

Wink and blow you a kiss, uh

Oh you tryna get rich, huh?

Get up off of my dick, uh

Lil' cherry pie, now you wastin' time
