

# Married To The Bag

Shotgun Willy

On the last line

Please, I got down on my knees  
Said, "Will you marry me?"  
I'm hoping that this love will always last  
I'm walkin' down the aisle  
Can't help but crack a smile  
'Cause just like that I'm married to the bag

What you know about this? 'Bout that? (Uh-huh)  
What you know about a bitch so bad? (Uh-huh)  
Pillsbury how I'm all about the dough, boy  
Big bad wolf how you know I'm 'bout to blow, boy  
My money green, no goblin  
I'm ice stone cold, Steve Austin  
Gettin' to the M's, no Majin  
Starfire, we in love with the Robin (Brrah)

Oh me, oh my  
Fly first class to the 305  
Tell McFerrin he can fuckin' die  
'Cause with this kiss she'll be my bride  
I'm on it  
What you want? I got it  
All my dough exotic  
Married to my pockets and profit

Like please, I got down on my knees  
Said, "Will you marry me?"  
I'm hoping that this love will always last  
I'm walkin' down the aisle  
Can't help but crack a smile  
'Cause just like that I'm married to the bag

Yeah, got a bit too much  
Walk around lookin' like Scrooge McDuck  
Every girl in the world want diamonds and pearls  
So they act like a squirrel on my two big nuts  
(Ring, ring) Yo', Elon Musk  
How do these hoes think they keepin' up?  
I don't know, but man, peace and love  
Adios, you all eat my dust  
'Cause if you ain't in first, then you last, hoe  
All I care about, cash flow  
My bitch call me an asshole  
I'm still gettin' that bag though  
Little piece of the pie  
I'ma need more, like a thief in the night  
Casamigos on a beach in Dubai  
Finding Nemo how it's mine, mine, mine, mine, mine

Oh me, oh my  
I'm flyin' first class to the 305  
Tell McFerrin he can fuckin' die  
'Cause with this kiss she'll be my bride  
I'm on it  
What you want? I got it

All my dough exotic  
Married to my pockets and profit

Like please, I got down on my knees  
Said, "Will you marry me?"  
I'm hoping that this love will always last  
I'm walkin' down the aisle  
Can't help but crack a smile  
'Cause just like that I'm married to the bag
