

## Wendy

## Shotgun Willy

Magic, moments  
When two hearts are caring  
Magic, moments  
Memories we've been sharing

I'm making a brick  
I got me a chick  
She driving me crazy  
And now that I'm rich  
And now I'm the shit  
She wanna have babies  
I ain't gonna lie  
I won't even try  
I'm whipping Mercedes  
Or fuck it a Bentley  
I'm with my hoe Wendy  
Yeah that is my lady

Ay, you all out of luck  
I'm spitting my game  
I think yo bitch want me  
Yuh, come over to fuck  
And we run a train  
Like we playing zombies  
Ay, she thinks I'm the best  
Ima flex on my ex  
And these hoes let me fuck 'cause I'm coming up next  
I Got coin in my chest  
I finesse her for neck  
And I count up a check and a check and a check  
Cash go fast  
Spend it on Wendy 'cause she throw it back  
Huh, I'm first, ayy, you last  
I do the dash and I feel like The Flash  
I got a brand new bag  
Bitch I ain't bluffing I stuff it with racks  
Aye, I make a wish like cancer kids  
To get your bitch to kiss my dick (Aye!)

I'm making a brick  
I got me a chick  
She driving me crazy  
And now that I'm rich  
And now I'm the shit  
She wanna have babies  
I ain't gonna lie  
I won't even try  
I'm whipping Mercedes  
Or fuck it a Bentley  
I'm with my hoe Wendy  
Yeah that is my lady  
I'm making a brick  
I got me a chick  
She driving me crazy  
And now that I'm rich  
And now I'm the shit  
She wanna have babies

I ain't gonna lie  
I won't even try  
I'm whipping Mercedes  
Or fuck it a Bentley  
I'm with my hoe Wendy  
Yeah that is my lady

There ain't nobody that is better than me  
You can look if you need but there's nothing to see  
If I want imma cheat I got hoes on their knees  
And I fuck 'em for free while I count up these Gs  
And if she not a hoe she can count up my dough  
She gone grab on my dick like she rowing a boat  
And my chick centerfold but the bitch getting old  
So I kick it with Wendy and she get the gold  
Ooh, I smashed  
I'm bouta turn Wendy into a momma  
I got her a brand, new jag'  
I hit the gas and you can't see the bottom  
These bitches they used, to lag  
Now I fuck these hoes and I don't got a condom  
My shirt got a brand, new tag  
'Cause now every check that I get got a comma (Hey, yah)

I'm making a brick  
I got me a chick  
She driving me crazy  
And now that I'm rich  
And now I'm the shit  
She wanna have babies  
I ain't gonna lie  
I won't even try  
I'm whipping Mercedes  
Or fuck it a Bentley  
I'm with my hoe Wendy  
Yeah that is my lady
