Shotgun Willy

Ah, ayo, My Winnebago  
Big as a whale, went off the rails (Winnebago)  
Ah, ayo, hasta luego  
From Turks and Caicos to San Diego (Winnebago)

I be whippin' the Winne like I'm a tourist  
Pit stop to kick off the mornin'  
I be handicap parking in Oregon  
Twenty-four whores in the whip Jeff Gordon (Ah)

I really couldn't ask for more  
The ass ambassador  
My whip bounce back and forth  
'Cause I'm on my bullshit like a matador

Left in the dust  
Money come round like the wheels on the bus  
Foot to the ground with my heels on the clutch  
And it stay down till the steel getting stuck  
I would kill for a buck

Cause I'm Ricky bobby how I shake and bake  
In 1st place win the race then I take the cake  
You just wait till they update the database  
To say I was the masta that paved the way, I say

Winnebago  
Winnebago  
Yeah, yeah, yeah

When I'm whippin' the Winne, it's like a taxi  
Pick up women and bitches with big ol' ass cheeks  
On the run from the cops and they'll never catch me  
Feel like Shaggy, who crew in the backseat

I'ma lock it, I'ma save it, if I want it, I'ma take it  
In the cockpit, gettin' naked, make a promise, and I break  
Eyes on the road (Oh), step on the gas, I don't like goin' slow (Oh)  
Drink and I drive all the night with my bros (Oh)  
Ran out of time and now I gotta go, gotta go, gotta go

'Cause I'm Ricky Bobby how I shake and bake  
In 1st place win the race then I take the cake  
You just wait till they update the database
