

Angel

Shout Out Louds

On my mind every day
Can't fool myself
Blinding sun where she's from
Under its spell
Can't run run run run run
If I don't know what I'm running from

Out of my mind
Out of my vision
It's always about you
It's always about me
Out of my mind
Out of my vision
I need to hear it
You need to say it

Before it's too late
Before I change my mind
Before it's too late

Six o'clock on the dot
The dream is still
Stuck on my retina
Your imagery
It's so dumb dumb dumb dumb dumb
Where did I get this from

Out of my mind
Out of my vision
It's always about you
It's always about me
Out of my mind
Out of my vision
I need to hear it
You need to say it

Before it's too late (Before it's too late)
Before I change my mind (Before I change my mind)
Before it's too late

...
