

## Mexico

### Shovels & Rope

I won't let you go, I won't let you go  
Not to Mississippi, not to Tupelo  
I won't let you go, I won't let you go  
Not to Detroit city, not to Chicago  
If you're gonna leave, I'm begging you to please go all the way  
to Mexico

I won't let you leave, I won't let you leave  
Not with all my Django, Emmylou and Steve  
I won't let you leave, I won't let you leave  
Not with my Revival tucked down in your sleeve  
If you're gonna go, take the ones you gave to me all the way to  
Mexico

All the way to the shore, California Bay and I'll be fine  
Cause I have taken you back for the last time

I won't set you free, I won't set you free  
Not to say it's over, come right back to me  
But if you're gonna go, I'm giving you the key  
But only if you go to Mexico

All the way to the shore, California Bay and I'll be fine  
Cause I have taken you back for the last time

If you're gonna go, baby won't you please  
Go all the way to Mexico
