

Patience

Shovels & Rope

I'm still alright to smile
Girl, I think about you every day now
Was a time when I wasn't sure
But you set my mind at ease
There is no doubt you're in my heart now

Said "Woman, take it slow
It'll work itself out fine
All we need is just a little patience"
Said "Sugar make it slow it'll come together fine
all we need is just a little patience..."

I sit here on the stairs cause I'd rather be alone
If I can't have you right now I'll wait dear
Sometimes I get so tense but I can't speed up the time

But you know love there's one more thing to consider
Said woman take it slow and things will be just fine
You and I'll just use a little patience
Said sugar take the time cause the lights are shining bright
You and I've got what it takes to make it
We won't fake it, I'll never break it

Cause I can't take it
*Little patience, mmm yeah, mm yeah
Need a little patience, yeah
Just a little patience, yeah
Some more patience, yeah
I've been walking the streets at night

Just trying to get it right
It's hard to see with so many around
You know I don't like being stuck in the crowd
And the streets don't change
But maybe the names
I ain't got time for the game cause I need you
Yeah, yeah, yeah, cause I need you
Ooo I need you, whoa I need you
Ooooh, all this time
