

## Using It

### Show Me The Body

On the street, something to eat  
Souls getting close, feeling my feet  
Night's cold but I'm feeling the heat  
Ghost town looking good to me  
I got you feeling the beat  
Feeling the beat, feeling the beat

Life, but I'm using it  
I got to fight myself while I'm abusing it  
Time, but I'm using it  
And now I've come so close, close to losing it

Ice cold, feeling the heat  
Action coming too easily  
I got no shame when I fight for family  
On the street, score to keep  
Boots dancing to the beat  
I got you feeling the heat  
Feeling the heat, feeling the heat

Can't tell you what I've done  
But I can tell you where I'm from  
Spent so much time using it  
And now I've come so close, close to losing it  
Life, but I'm using it  
I got time but I'm using it  
I got drugs, I'm abusing it  
I got mine, I got mine but I'm using it  
I'm using it, I'm using it  
I'm losing it  
I know I got time  
I know I got life but I'm using it  
I got time but I'm using it  
I got drugs, I'm abusing it  
I got time

Feeling the beat, feeling the beat  
On the street, feeling the heat  
Feeling the heat, feeling the heat  
Got you feeling the beat  
Feeling the beat, feeling the beat  
I got you feeling the heat  
Feeling the heat, feeling the heat  
I got you feeling the beat  
Feeling the beat, feeling the beat
