

## Always & Ever

Showaddywaddy

My heart belongs to you  
Always and ever  
Just tell me you'll be true  
And leave me never.

I love you more each day  
Much more than words could say  
Wear this ring to prove your mine to stay  
Always and ever.

My heart belongs to you  
Always and ever.  
Just tell me you'll be true  
And leave me never

I love you more each day  
Much more than words could say  
Wear this ring to prove your mine to stay  
Always and ever.

My heart belongs to you  
Always and ever  
And just tell me you'll be true  
And leave me never

I love you more each day  
Much more than words could say  
Wear this ring to prove your mine to stay  
Always and ever...
