

C'mon Everybody

Showaddywaddy

C'mon everybody and let's get together tonight
Got some money in my jeans and I'm really gone spend it right
No more movies for a week or two, no more running round with the
usual crew
Ah who cares?
C'mon everybody

Well my baby's number 1 but I gotta dance with 3 or 4
The place is really shaking from the bare feet slapping on the
floor
When you hear the music you can't sit still
Your brother won't rock but your sister will
Whoo! C'mon everybody

My place is really rocking so we gotta put a guard outside
If my folks come home I'm afraid they're gonna have my hide
No more movies for a week or two, no more running round with the
usual crew
Who cares? C'mon everybody

C'mon everybody and let's get together tonight
(Got) some money in my jeans and I'm really gone spend it right
No more movies for a week or two, no more running rotund with us
crew
Ah who cares? C'mon everybody
