

# Heavenly

Showaddywaddy

Mmm it's heavenly.

Heavenly, oh what a feeling  
Heavenly, oh what a feeling

Heavenly  
when I'm with you it feels so right  
Heavenly  
I've got to hold and squeeze you tight

Heavenly, oh what a feeling  
Heavenly, oh what a feeling

Heavenly  
I see your eyes are shining bright  
Heavenly  
oh girl I need your love tonight

Heavenly, oh what a feeling  
Heavenly, oh what a feeling  
Heavenly, heavenly.  
Na-na-na-na-na heavenly

Do you think that it'll be alright  
if I stay all night  
What would the neighbours say  
if I'm here in the morning light?

Heavenly, oh what a feeling  
Heavenly, oh what a feeling

Heavenly, oh what a feeling  
Heavenly, oh what a feeling

Heavenly  
and now it's time to say goodbye  
Heavenly  
just spread your angel wings and fly

Heavenly, oh what a feeling  
Heavenly, oh what a feeling  
Heavenly, oh what a feeling  
Heavenly, oh what a feeling  
Heavenly
