

I Wonder Why

Showaddywaddy

Know why I love you like I do.
Know why I do.

Don't know why I love you
Don't know why I care
I just want your love to share.

I wonder why I love you like I do
Is it because I think you love me too
I wonder why I love you like I do
Like I do.

I told my friends
that we would never part
They often said
that you would break my heart
I wonder why
they think that we will part
We will part.

When your with me
I'm sure your always true
When I'm away
I wonder what you do
I wonder why
I'm sure your always true
Always true.

I wonder why I love you like I do
Is it because I think you love me too
I wonder why I love you like I do
Like I do.

Know why I love you like I do.
