

Rollercoaster

Showaddywaddy

Alright, we're gonna take bit of a trip down the road to Palisades Park

We're gonna get you rock 'n' rollin'

I want you to have yourselves a good time
Come on and let yourself go
Down the road that lead us to the bright lights

Roll-rollercoaster, come on, take a ride
Roll-rollercoaster, make for the sky
Roll-rollercoaster, come on, take a ride
Let's take the next ride, we'll make the sky

Get on your coat, let's ride
Down the road to Palisades
I get my car [?]

Roll-rollercoaster, come on, take a ride
Roll-rollercoaster, make for the sky
Roll-rollercoaster, come on, take a ride
Let's take the next ride, we'll make the sky

Roll-rollercoaster, come on, take a ride
Roll-rollercoaster, make for the sky
Roll-rollercoaster, come on, take a ride
Roll-rollercoaster, come on, take a ride
Roll-rollercoaster, come on, take a ride
