

Somethin' Else

Showaddywaddy

A look a-there
Here she comes
Here comes that girl again
Wanted to date her
Since I don't know when
She don't notice me, when I pass
She goes with all the guys from a-out of my class
But that ain't a-stoppin' me from thinking to myself
She's sure fine lookin' man
She's somethin' else

A look a-there
Cross the street
There's a car made just for me
To own that car would be a luxury
But I can't even, afford the gas
A brand new convertible is outta my class
But that ain't stopping me from thinking to myself
That cars fine looking
It's somethin' else

Hey look a-here
Just wait and see
Worked hard and saved my dough
I'll buy that car and
I can roll up and show
Get me that girl and we'll be ridin' around
We'll look real sharp with the flight top down
I keep right on a-dreamin' and a-thinkin' to myself
When it all comes true man
Wow that's somethin' else

Hey look a-here
What's all this?
Never thought I'd do this before
But here I am a-knockin' on her door
My cars out front and it's all mine
It's a forty-one ford, not a fifty-nine
I got that girl and I'm a-thinkin' to myself
She's sure fine looking man, wow that's somethin' else
