

Take Me In Your Arms

Showaddywaddy

Oh baby here I am again
(Take, take, take me in your arms)
I don't want sympathy again,
(Take, take, take me in your arms)
Back with avengence,
To hold you love and caress you
Oh baby here I am
won't you take me in you arms.

Hey baby you have me your own
(Take, take, take me in your arms)
But absence had made your heart grow fond
(Take, take, take me in your arms)
You hadn't fooled me
But baby this time it's real
Oh baby here I am
won't you take me in your arms
Baby here I am
won't you take me in your arms.

Take me in your arms
Take me in your arms
Take me in your arms
And love me like I love you.

Oh baby here I am
won't you take me in your arms
Baby here I am
won't you take me in your arms
Baby here I am
won't you take me in your arms.

Take me in your arms
Take me in your arms
Take me in your arms.
