

## Wonderful Dream

Showaddywaddy

Last night I had  
a wonderful dream about you  
Last night I had a dream  
hope that it will come true

Last night I had a wonderful dream  
I dreamed I'd hold you in my arms  
And you'd thrill me with your charms  
In a wonderful dream, I had last night  
Your lips were oh so soft and warm  
And a wonderful love was born

We were all alone  
you told me that you cared  
And I never will forget  
how happy I was that we were there

Last night I had a wonderful dream  
And now that I'm alone with you  
My wonderful dream will come true  
(sho bop-be-wops a wonderful dream)  
(sho bop-be-wops a wonderful dream)

Last night I had  
a wonderful dream about you  
Last night I had a dream  
hope that it will come true

We were all alone  
you told me that you cared  
And I never will forget  
how happy I was that we were there  
Last night I had a wonderful dream  
And now that I'm alone with you  
My wonderful dream will come true  
ooh -ooh- ooh  
Will come true  
ooh -ooh- ooh  
A wonderful dream, a wonderful dream
