

## BAD (David Guetta & Showtek)

Showtek

I said why does it feel so good,  
So good to be bad?  
Getting what I want, boy,  
Why does that make you so mad?

I said why does it feel so good,  
So good to be bad?  
Cause if it's trouble that you're looking for  
Baby, here I am!

(Yeah baby hit the beat!)

I say why does it feel so good?  
So good to be bad? Bad-bad-bad...
