Brain Of J (live)

Who's got the brain of JFK? What's it mean to us now? Yeah.

Pause. Clear your soul. I can tell you this is no lie. Yeah.

The whole world will be different soon. The whole world will be relieved.

The whole world will be different soon. The whole world will be relieved.

Yeah.

Ooo, you've been taught, whipped into shpae, now they got you in line. Yeah.

Stand behind the stripe. There will be order so give it a good mind there.

The whole world will be different soon. The whole world will be relieved.

The whole world will be different soon. The whole world will be relieved.

Land by name. The name they gave me. The name I'm letting go, yeah. Woh.

The whole world will be different soon. The whole world will be relieved.

The whole world will be different soon. The whole world will be relieved.

The whole world will be different soon. The whole world will be relieved.

The whole world will be different... Ah.
