

# Don't Shoot

Showtek

Tell me how you murder  
Tell me how you murder  
Tell me how you murder  
Lands for the slaughter  
Tell me where is the love for one another  
If it ain't about love, real love  
Don't even bother  
I rather be your keeper from my brother

Just know that life ain't just a bitter rose  
What won't kill you will make ya stronger, that ya bet I know  
Just know in life you're gon regret your soul  
So you better teach the youth and right and guide them while they grow

(Hands up)  
Don't shoot, hands up  
Don't shoot, hands up  
Don't shoot, hands up

Don't shoot, hands up

I let go, I let go

Let's all work harder, for every son and daughter  
Won't be a goner in this new world order

If it ain't about love, real love  
Why even bother?  
I rather be your keeper from my brother

Just know that life ain't just a bitter rose  
What won't kill you will make ya stronger, that ya bet I know  
Just know in life you're gon regret your soul  
So you better teach the youth and right and guide them while they grow

(Hands up)  
Don't shoot, hands up  
Don't shoot, hands up  
Don't shoot, hands up, go

Don't shoot, hands up, go

I let go, I let go

(Hands up)  
Don't shoot, hands up  
Don't shoot, hands up  
Don't shoot, hands up  
Don't shoot, hands up  
Don't shoot, hands up  
Don't shoot, hands up
