Down Easy

Showtek

Oh my darling, my darling, my darling, I'm breaking
And I don't like the feeling of knowing you hurting
Can we stop and pretend that this never happen?
Oh my darling, my darling, you know I can't take it

Don't wanna be the one to break your heart
But I gotta tear your world apart
I let you down easy
I let you down easy if I could
And even though we used to have the spark
I'm putting out the fire before it starts
So let you down easy
I let you down easy if I could

I let you down easy if I could
I let you down easy if I could

I wonder, wonder
Why good things don't last forever
It feels like thunder
The way my heart be beating under pressure
Even if the fire's gone
We'll still light the match when the throne ends
And even though I lost the map
I would find my way back to the treasure

Easy
Let me down easy if you could
Easy
Let me down easy

Don't wanna be the one to break your heart
But I gotta tear your world apart
I let you down easy
I let you down easy if I could
And even though we used to have the spark
I'm putting out the fire before it starts
So let you down easy
I let you down easy if I could

I let you down easy if I could
Easy, I let you down easy if I could

You give it then you take it then you take it when you want it
You don't want it when you got it easy
I want it and I need it like I had to gotta have it
But you keep my body feelin' freezy
You tease me, back and forth like a frisbee
Sleazy, every time you catch me so easy, grizzly
You don't ever need to see me
It'll never be so hard to get on I'll make it easy

Easy
Let me down easy if you could
Easy
Let me down easy

Don't wanna be the one to break your heart
But I gotta tear your world apart
I let you down easy
I let you down easy if I could
And even though we used to have the spark
I'm putting out the fire before it starts
So let you down easy
I let you down easy if I could

I let you down easy if I could
I let you down easy, I let you down easy if I could
Let you down, let you down, let you down
I let you down easy
I let you down easy
