

Rager

Showtek

I threw a rager inside my mind
Just me, myself, my demons, and I
I know that I'm not okay
I feel like I'm going crazy

Check-check it out, boy
Check-check it
Check-check it
Check-check it

I feel like I'm going crazy!
I'm going crazy!
I'm going crazy!

I need some help, someone pick up line 911
I swear to God, it's like no one is listening
I take the pill, but the devil on my shoulder's still haunting me
My face is numb, but why do I still feel the pain?

I threw a rager inside my mind
Just me, myself, my demons, and I
I know that I'm not okay
I feel like I'm going crazy
I hear these voices inside my head
I try to drown them out with the meds
I'm breaking under pressure
How the fuck do I get better?

How the fuck do I get better?

I feel like I'm going crazy!
I feel like I'm going crazy!

I threw a rager inside my mind
Just me, myself, my demons, and I
I know that I'm not okay
I feel like I'm going crazy
I hear these voices inside my head
I try to drown them out with the meds
I'm breaking under pressure
How the fuck do I get better?
(I get better, I get better, I get better, I get better)

I feel like I'm going crazy!
I'm going crazy!
I'm going crazy!
I feel like I'm going crazy!
