

Show Some Love

Showtek

If there is just one word, that will always win
No matter where you're from, the color of your skin
You can still be rich, even if you're poor
And it's times like these, we need it so much more

So, just show some love, just give some love
When it all falls down, we gotta try some more
So, just show some love, give some love
We gotta work so much harder, yeah, we can't give it up

It's time for love
Oh la la la la la la la la
Oh la la la la la la la la

Yeah, there is no time to wait, there's only time to spend
And we will see it through, until we reach the end
Because we hit the wall, the very final straw
And there is just one thing, that's gonna save us all

So, just show some love, just give some love
When it all falls down, we gotta build it up
Just show some love, give some love
We gotta work so much harder, yeah we can't give it up

It's time for love
Oh la la la la la la la la
Oh la la la la la la la la

Just show some love, just give some love
When it all falls down
We gotta build it up
So, just show some love, give some love
We gotta work so much harder, yeah we can't give it up

It's time for love
