

## We Found Love

Showtek

Now that we found love what are we gonna do with it  
Now that we found love what are we gonna do with it  
Now that we found love what are we gonna do with it  
Now that we found love what are we gonna do with it

Now hit me with that funky-ass beat

Now that we found love  
Guess what

Now that we found love what are we gonna do with it  
Now that we found love what are we gonna do with it  
Now that we found love what are we gonna do with it  
Now that we found love what are we gonna do with it  
Now that we found love what are we gonna do with it  
Now, now, now, now

Now hit me with that funky-ass beat
